### BILLING

Monthly plans billed in advance on the first business day. Hourly billed monthly in arrears with an itemized timesheet.

### ONBOARDING

Typically 5-7 business days from signed agreement to live work, with your first close package in the following cycle.

### INCLUDED

Dedicated accountant (160 hrs/month full-time), senior review of every deliverable, and flexible time-zone coverage. Software licenses billed to you.

## Invoicing, contract & data security

### INVOICING

Invoiced in USD. ACH, wire or card. Net 7 for monthly retainers, net 15 for project work. Extra hours are agreed in advance and billed at your plan's hourly rate.

### CONTRACT

Month to month, no long-term lock-in. Cancel or change tier with 30 days' written notice; tier changes take effect at the next billing cycle.

### DATA SECURITY

Role-based, least-privilege access to your systems. Documents move through encrypted channels and every team member is bound by a confidentiality agreement.
